OLD BUSINESS:

FORA/GAIL update: June 22 is the next produce distribution at Green Ridge House at 2:30. Here is the list of future dates there: July 27, August 24, and September 28.

Widowed Persons update: The next session will occur in October. No other details are available.

Not For Seniors Only: "Continuum of Care- What Are The Next Steps" session is on Saturday, June 3 at 1:00. The sign-ups are coming in very slowly. Members were asked to encourage people to register to attend. It was noted that the City's advertisement did not ask for preregistration of attendees although Henry's article did include this fact. Ronnie Scotkin requested the Committee consider moving the Open Forum to an evening or Sunday in the future.

Contribution/Recognition Committee update: Henry Haslinger, SCAC representative, explained the process that he and the committee did to prepare the necessary recommendations to City Council for groups who submitted the proper forms. Silke Pope felt that the process made it easier for Council to make the decisions concerning funding and recognition groups. This process will occur next year again.

ANNOUNCEMENTS: Karen shared a notice from Doctor's Hospital inviting people to join them in their ribbon cutting and donor appreciation for the new Wellness on Wheels Mobile Clinic on Thursday, June 15 from 11:00AM to 1:00 PM at the hospital.

The next meeting is August 22, 2017 at 3:30pm
