**Ages 16+**
This class is suitable for patrons who usually enroll in Level 2 Hand-building or who have completed Level 1 Hand-building. In this class, students will be encouraged to explore the creation of expressive forms in clay, whether representational or abstract. The sessions will involve instructor demos, discussing student projects, discussing techniques for forming clay and instilling content, and addressing questions or ideas that come up. Students will also be exposed to methods for building larger and more complex forms. It will be an important part of this class for students to send images of their work to the instructor before class, to facilitate discussion. Students may purchase clay from the studio, Soldate 60 recommended. Wareboards will be available on loan from the studio.

GENERAL INFORMATION FOR ADULT SPRING CERAMICS PARTICIPANTS

Limited Ceramics Open Studio slots will be available this spring. Participants in open studio must have previously completed a Greenbelt Recreation in-person ceramics class or have permission from Beth Fendlay, bfendlay@greenbeltmd.gov. Patrons who enroll in a class section that includes open studio, or who register for open studio as a stand-alone program, will be able to sign up for one, 2½ hour time slot per week. Wheel students may select either the wheel room or the glaze room for a given day. Hand-building students may select either the hand-building room or the glaze room. Masks are required and ventilation units must be turned on. The rooms will be sanitized between uses. The studios are expected to be available daily between 9:15am-5:45pm; hours are subject to change.

A participant may sign up by themselves or with a buddy who is also enrolled in open studio or a class that includes open studio. A shared slot counts as the one weekly timeslot guaranteed to each of the two participants. Those who sign up alone will have the space to themselves, apart from occasional pop-ins as needed by staff or participants working in another studio; a second person will not be able to sign up to share their slot.

In order to make sure the studio can accommodate all registered participants, programs including open studio have a low maximum enrollment; if your desired section no longer has room, please register for the waitlist.

ZOOM CLASS FORMAT
Classes meeting on Zoom will be designed to accommodate students working exclusively at home as well as those with open studio access at the Community Center. Approximately the first hour of class will be devoted to demonstrations, answering questions and looking at screen-shared photographs of student work in progress. The remaining class time will involve students working and receiving feedback. Students without a safe space to work at home may choose to stay on or to leave this portion of the meeting.

CLASS SUPPLEMENT: PRIVATE INSTRUCTION
Students who are enrolled in open studio or a class that includes open studio access may sign up for one or more private lessons at the Community Center with an instructor. See the class listings for availability. If you are registering online, select the optional private lesson fee during checkout. If you are registering by email, please note "private instruction" and the fee ($45) on your registration form. If you would like to sign up for more than one lesson, select or indicate the number of lessons online or on your registration form. You may add lessons later in the session by contacting Ruth Campbell, rcampbell@greenbeltmd.gov. The 1.75 hour lesson will take the place of your weekly open studio time, with 15 minutes on either end for set up and clean up.

PURCHASING CLAY
If you are registering online, select the optional supply fee during check-out. If you are registering by email, please note "clay" and the fee ($23) on your registration form. Either way, please also email Beth Fendlay at bfendlay@greenbeltmd.gov regarding your preferred type, from these options: Standard Brown 306; Standard White 239, Highwater Red Rock; or Highwater Little Loafers. Laguna Soldate 60 is recommended for Chris Corson’s sculpture class students and is available to these participants only. Limit (all clays): one bag per participant at the time of registration. Subsequent purchases may be possible, depending on inventory and curriculum.

GLAZE ACCESS
Open Studio participants will be able to sign up for the glaze room as their weekly studio slot. Participants who are registered for any program that does NOT include open studio may be able to book glaze room slots on an “a la carte” basis as available. Once registered, please email Amanda Larsen to be added to a contact list for notifications: alarsen@greenbeltmd.gov.

PICK-UP AND DROP-OFF
Contactless exchange of wares and supplies will take place at the Community Center west entrance (library side) on Mondays from 5:30pm-6:00pm. This schedule is subject to change. You may either wait outside the door, or text Jan Goldberg upon arrival at 202-329-1407; she will text you back when it’s your turn to come up. Participants with open studio access can pick up clay and drop off and pick up wares on the third floor when you come in to work in the studio.

OPTIONAL MATERIALS KIT
Participants working from home will have the option of purchasing a materials kit that consists of: sponge, needle tool, wire tool, rubber rib, piece of canvas and a serrated metal rib (all to keep) plus a ware board (on loan). If you are registering online, select the optional supply kit fee during check-out. If you are registering by email, please note "supply kit" and the fee ($15) on your registration form. Participants registered for Open Studio will have on-site use of the above items as part of the regular studio inventory.

City of Greenbelt Program Registration and Facility Reservations

Coronavirus disease 2019 (COVID-19), has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious as is believed to spread mainly from person-to-person contact.
The City of Greenbelt has created new protocols and put in place preventative measures to reduce the spread of COVID-19; however, the City cannot guarantee that you will not become infected with COVID-19. Further, attending any program may increase your risk of contracting COVID-19, and may increase the risk of transmitting COVID-19 to others.

By signing this agreement I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I, my minor child, or members of my group or organization, may be exposed to or infected by COVID-19 by participating in an event, program, activity, reservation or rental taking place at a City of Greenbelt recreation facility or park, and that such exposure or infection may result in personal injury, illness, permanent disability, or death. I understand that the risk of becoming exposed to or infected by COVID-19 at a City of Greenbelt recreation facility or park may result from the actions, omissions, or negligence of myself and others, including, but not limited to, City employees, volunteers, and other participants and their families.
I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself, my child, or members of my group or organization, including, but not limited to, personal injury, disability, or death, illness, damage, loss, claim, liability, or expense, of any kind, that they or I may experience or incur in connection with participation in any event, program, activity, reservation or rental taking place at a City Recreation and Parks facility. I hereby release, covenant not to sue, discharge, and hold harmless the City of Greenbelt, its employees, agents, and representatives, of and from any claims related to COVID-19, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I further agree to indemnify and hold harmless the City of Greenbelt and its employees, agents, and representatives from any claim that may arise from or in connection with my or members of my group or organization’s participation in any program taking place at a City of Greenbelt Recreation and Parks facility, including claims related to COVID-19.
I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the City, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any City of Greenbelt Recreation and Parks program.
I agree to comply with any participation guidelines, such as the use of face coverings and physical distancing, to enhance the health and safety of all participants.
