

Free Greenbelt Community Nursing Program

The City of Greenbelt's Assistance in Living Program (GAIL) in partnership with Bowie State & Washington Adventist University Schools of Nursing offer a Community Nursing Program to families in our incorporated Greenbelt community.

Program participants will receive weekly visits including the services you select below, along with resource linkage and case management support .

Please complete the form below and return the form to our office:

City of Greenbelt - GAIL Program c/o Sharon Johnson

25 Crescent Road, Greenbelt, MD 20770.

Student nurses will contact participants the week prior to schedule the first home visit.
