PRE-SCHOOL ART EXPLORATION

Children and caregivers share the experience of creative exploration in a studio setting, while facilitating toddlers' socialization. Different tools and materials will be introduced, encouraging visual and tactile discovery. Emphasis is on process, rather than the completion of a defined project. Families may enter and leave any time during the hour as children's attention spans will vary. This is a parent-child activity; caregivers must please enroll, attend and actively participate. When registering: section 1 is for children; section 2 is for caregivers. Be sure to sign up for the waitlist if the class is full; an additional section may be added.
