RESOLUTION NUMBER 2061

A RESOLUTION TO AUTHORIZE THE NEGOTIATED PURCHASE OF CAMERA SYSTEM REPLACEMENT FROM J & M SECURITY SOLUTIONS OF CLAYTON, NORTH CAROLINA AT A COST OF \$50,0000 WITH ANNUAL MAINTENANCE COSTS FOR THE FIRST THREE YEARS OF \$30,000 AND ANNUAL MAINTENANCE COSTS FOR YEARS FOUR AND FIVE OF \$40,000 PER YEAR

WHEREAS, City Staff and the Public Safety Advisory Committee were tasked with researching an overhaul of the City's existing camera system to make it more useable and retain video longer; and

WHEREAS, the results of the research have indicated that J & M Security Systems of Clayton, North Carolina offers the most comprehensive proposal for camera system replacement that will meet the City's needs; and

WHEREAS, the proposal submitted by J & M Security Systems includes replacement of the camera server along with the replacement of the camera control software at a cost of \$50,000, and an annual maintenance fee of \$30,000 for years one to three and \$40,000 for years four and five; and

WHEREAS, the annual maintenance fees with not be incurred until FY 19; NOW
THEREFORE

BE IT RESOLVED by the Council of the City of Greenbelt, Maryland, that the City Manager be authorized to contract with J & M Security Solutions of Clayton, North Carolina in accord with its proposal of August 11, 2017 for replacement of the camera server along with the replacement of the camera control software at a cost of \$50,000, and an annual maintenance fee of \$30,000.

PASSED by the Council of the City of Greenbelt, Maryland, at its regular meeting of March 26, 2018.

Emmett V. Jordan,
Mayor

ATTEST:

David E. Moran, Assistant City Manager
