City Manager's Report Week Ending August 10, 2018

1. Included separately is an update on The Boring Company's DC-Baltimore Loop Tunnel Project.
2. Kudos to the Police Department, neighborhood associations, county and volunteer fire, businesses and community organizations for hosting a fantastic National Night Out at five locations across the City. From skateboard or motorcycle clubs, to emergency response teams and rock climbing to McGruff, everyone seemed to have a great time. Thank you to all staff across departments that participated and made the event possible.
3. Included separately are draft letters on the Farm Bill and the USDA Beltsville Agricultural Campus. The latter is in follow-up to Councilmember Roberts' request during this week's economic development work session.
4. Attached is a draft letter to the Prince George's County Fire Chief about staffing at the Branchville Fire Station. The letter was discussed at the July Four Cities meeting and penned by College Park. Please forward comments on the letter to Ms. Anne Marie Belton by Wednesday, August 15th so that those comments can be forwarded to College Park and the letter finalized.
5. Met and/or teleconferenced with staff and legal counsel on personnel and operational matters, as well as litigation.
6. Ms. Bonita Anderson attended open meeting and public information training sessions. Ms. Anderson is also continuing arrangements for staff and advisory board training this Fall.
7. Teleconferenced with staff (Mr. David Moran, Mr. Jeff Williams), bond counsel, financial advisors, and developer representatives regarding the Greenbelt Station TIF.
8. Following up with Greenbelt Homes Inc. (GHI) on the joint GHI-City work session's discussion on WSSC infrastructure agreement and potential waste reduction and disposal opportunities. I shared with Mr. Eldon Ralph that Mr. Brian Townsend and environmental staff will support the latter effort.
9. Attended National Night Out events at Beltway Plaza/Franklin Park, Schrom Park (Greenbelt East neighborhoods), Hunting Ridge, and Greenbriar. Thank you to Hunting Ridge for the ice cream bar.

10. Included separately is information on the Fall MML Conference in Annapolis. If you are planning to attend, please notify Shaniya Lashley-Mullen.

11. Presented during the Council's economic development work session.

12. Assistant City Manager

- a. Attended a meeting in Baltimore regarding the upcoming ICMA Conference in September.
- b. Met with several residents to discuss pursuing enactment of Journey's Law during the 2019 General Assembly Session.
- c. The City Treasurer and I met to discuss next steps for the MDE Dam Repair Loan.

13. City Treasurer

14. Information Technology

- a. Install cameras at the YC
- b. Municipal broadband research
- c. Review Police weapon camera system information

Subject: DC-Baltimore Loop Tunnel Project Update

Hello everyone,

It has been a few months since we have provided an update to all our agency partners regarding the progress of the DC to Baltimore Loop Tunnel Project. While the EA has not developed according to the original schedule, all schedule changes have originated with The Boring Company (TBC). The government team, comprised of lead and cooperating agency representatives, continues to provide comments on technical sections submitted by TBC in a timely fashion; we meet regularly every Thursday to provide project updates and handle any emerging issues and meet more often during our review of TBC's technical submittals; and we also have weekly meetings with TBC to answer any questions they may have, in an effort to keep them on track.

Additionally:

1. A Section 106 project-level programmatic agreement was distributed to Consulting parties, and comments were received by the FHWA Federal Preservation Officer, who is working to incorporate them into the PA.
2. TBC has made progress in identifying proposed tunnel boring machine launch shaft locations.
3. TBC has initiated consultation with USACE regarding a Section 408 review, and the potential need for a Section 404 permit.
4. The public involvement plan to work with TBC to provide a virtual public information session during the public comment period of the EA remains unchanged.
5. Lana Lau is the project lead for FHWA while James Gavin is on a developmental assignment.

To continue to move the project forward, we intend to have TBC focus on providing any critical information. A smaller government team will incorporate agency comments into a re-write of TBC's submittals.

We greatly appreciate your continued engagement with this project.

The Honorable Ben Cardin, Senate Environment and Public Works Committee,
Washington, DC 20515

The Honorable Chris Van Hollen, Senate Environment and Public Works Committee,
Washington, DC 20515

The Honorable Steny Hoyer, Washington, DC 20515

Dear Chairman Conaway, Ranking Member Peterson, Chairman Roberts, and
Ranking Member Stabenow,

On behalf of the Greenbelt City Council, please know that the City would appreciate your advocacy of the House Agriculture and Nutrition Act of 2018, and the Senate Agriculture Improvement Act of 2018 – each chamber’s version of the 2018 Farm Bill reauthorization. The City would also appreciate your dedication to passing the final Farm Bill in a timely manner, to meet the September 30 deadline. This legislation establishes critical federal farm, food, and rural policy that will have a tremendous impact on the environment, local and regional economic growth, and public health.

Rural and urban communities nationwide face obstacles like health disparities, the opioid epidemic, the digital divide, an agriculture recession, extreme weather events, and a shift from the manufacturing and coal mining jobs that some communities once relied on. The Farm Bill reauthorization is crucial now more than ever to ensure that rural communities have the resources and investments necessary to overcome these challenges, while bridging the urban rural divide.

As the House and Senate Agriculture Committees work to resolve the differences between the respective versions of the Farm Bill in conference, the City is very concerned about preempting local control of pesticide use. Our community’s residents have worked very hard to develop policy and activities that reflect

Greenbelt's sustainability plan that reflects a sustainable land care policy. Local communities should be allowed to develop local regulations. Council, along with the National League of Cities, encourages you to include the following local and regional priorities to support a robust, comprehensive Farm Bill:

Rural Development Title • Reinstate mandatory funding for programs within the Rural Development Title and maintain the title's current funding levels. • Reestablish the Undersecretary of Rural Development for the U.S. Department of Agriculture (USDA) to oversee the \$216 billion USDA Rural Development portfolio.

- Give the USDA Secretary the authority to prioritize projects that help rural communities meet the challenges of the opioid crisis.
- Maintain full, annual funding for the Rural Water, Waste Disposal, and Wastewater Facility Grants program. Increase the maximum amount allowable for revolving fund awards for financing water and wastewater projects to \$200,000. Support the reauthorization of the Rural Water and Wastewater Circuit Rider Program at \$25 million per year through 2023.
- Reauthorize all broadband deployment and infrastructure-related programs to at least current funding levels. Increase speed requirements for eligible broadband services and make "middle mile" broadband infrastructure eligible for subsidies. Provide localities that are the recipient of a USDA Rural Development grant, loan, or loan guarantee the flexibility to use up to 10 percent of the grant towards broadband facilities, services, and rural infrastructure. Support the creation of the Hard-To-Reach Broadband Grant to help deploy high-speed internet to unserved communities with low population density. Increase the population limit for funding eligibility under USDA's rural broadband guaranteed loans program from 20,000 to 50,000.
- Create the Interagency Council on Rural Community Innovation and Economic Development to help leverage federal resources aimed at rural communities.
- Expand the language of the Strategic Economic and Community Development Program to cover all programs under USDA Rural Development, and require the Secretary provide technical assistance to communities in developing strategic community investment plans.

Nutrition Title • Maintain current funding levels for programs within the Nutrition Title. • Reinforce current Supplemental Nutrition Assistance Program (SNAP) eligibility and work requirements and funding structure, avoiding additional financial strain on both recipients and local governments. • Provide additional funding to the SNAP Employment and Training (E&T) program, and further integrate E&T with existing workforce programs at the federal, state, regional, and local levels, including workforce development boards. • Reauthorize healthy food nutrition programs, such as the Seniors Farmers' Market Nutrition Program, the Healthy Food Financing Initiative, and the Food Insecurity Nutrition Incentives.

Conservation Title • Maintain current funding levels for programs within the Conservation Title. • Allow projects under the Regional Conservation Partnership Program (RCPP) to extend beyond the current five-year limit if approved by the USDA. Allow organizations to receive funding for outreach and technical assistance, increase emphasis on conservation outcomes, and increase the funding allocation of projects selected at the state level to ensure local concerns are addressed. Expand the RCPP's list of eligible activities to include resource-conserving crop rotations, protection of drinking water resources, soil health, and drought resilience. • Include a requirement that at least 10 percent of all conservation program funding is used to promote water quality and quantity practices that protect drinking water.

Horticulture Title • Support the creation and permanent baseline funding for a new USDA Local Agriculture Market Program, which includes streamlining the Farmers Market and Local Food Promotion Program and the Value-Added Producers Grant Program into a single program, to strengthen communities with farm to table investments and increase access to healthy local food. Support the inclusion of a new regional public-private partnership initiative within the program focused on leveraging outside investments and expertise to bolster regional food system planning and development. • Adopt clear federal policies and regulations that allow states and local governments the flexibility to implement programs to protect public health and the environment and reject the House provision that would prevent states and local governments from implementing pesticides permit programs.

Miscellaneous • Reject "Subtitle G – Protecting Interstate Commerce," which was added as an amendment to the House version of the bill. The provision would preempt state and local ability to craft tailored regulations to meet the specific needs of their respective citizens and would threaten the sovereignty of state and local governments under the 10th Amendment.

We appreciate your continued leadership. Please ensure that the next Farm Bill will support the strength and stability of our communities.

Sincerely,

Emmett Jordan,
Mayor

August 10, 2018

The Honorable Ben Cardin, Senate Environment and Public Works Committee, Washington, DC 20515

The Honorable Chris Van Hollen, Senate Environment and Public Works Committee, Washington, DC 20515

The Honorable Steny Hoyer, Washington, DC 20515

Dear ,

I am writing on behalf of the Greenbelt City Council to share concern regarding the condition of buildings located at the U.S. Department of Agriculture's Beltsville Agricultural Research Campus (BARC). City Council seeks your advocacy for resources to improve conditions and support operations at BARC.

During City Council's August 6, 2018 work session to develop economic development policy and goals, the important role of emerging earth sciences, advanced technology, and government industry sectors was discussed. Given Greenbelt's access to numerous research and technology centers, including the University of Maryland and BARC, Council is particularly interested in exploring opportunities to advance urban agriculture, nutrition, food safety and security.

However, the blighted, dilapidated condition of BARC buildings and properties was discussed as a point of concern. BARC has contributed to Greenbelt's local economy, history, culture and green space. BARC is an important part of our community.

Thank you for your continued leadership. Please continue to advocate on behalf of BARC, including securing funding for BARC renovation and reuse of those buildings. Repair and reuse of BARC buildings and property will address community eyesores, safety, and ultimately produce better use of public resources currently used in an attempt to maintain the remnants of building structures. Given the nature of work performed at BARC, providing additional resources to BARC will greatly strengthen not only our regional and state economies, but also make a lasting national impact on for generations to come.

Sincerely,

Emmett Jordan
Mayor

August 6, 2018

Benjamin M. Barksdale, Fire Chief
Prince George's County Fire/EMS Department
9201 Basil Court, Suite 452
Largo, MD 20774

Dear Chief Barksdale:

The Four Cities Coalition (comprised of the elected officials from the cities of College Park, Greenbelt, and New Carrollton and the Town of Berwyn Heights) heard from the President of the Branchville Volunteer Fire Company and Rescue Squad regarding the ongoing challenges of providing an acceptable level of service as a station only staffed by volunteers. As you know, we had previously expressed our concern to Chief Bashoor when career staff were transferred from Branchville. Despite significant efforts to recruit and retain volunteers to provide Fire and EMS services from this station, we understand that frequently, this station is not able to respond to calls.

When Chief Bashoor last spoke to the College Park City Council he did explain the proximity of other Fire/EMS stations and the computer aided dispatch of closest units to a call for service. However, we believe that there are times when even a delay of minutes could result in a tragedy in the first due service area of BVFC&RS. We are especially concerned with any delays in EMS services response. As our "aging in place" populations grow, demands on EMS services will increase. Increased University Boulevard, Rhode Island Avenue, Beltway and Baltimore Avenue traffic will certainly result in increased calls for service and increased response time to calls for EMS services.

The Four Cities Coalition is requesting response time data and any PGFD/EMS data analysis that has been done to assess response times for calls for Fire and EMS service in the BVFC&RS first due area. Of particular interest, we would like to see any comparison of response times to incidents when Branchville is available to respond versus times when another station or apparatus responded to Branchville's first due calls.

We are appealing to you and County Executive Baker to provide weekday, daytime, career EMT staffing at the Branchville station. We will assist to the extent that we are able to recruit and retain volunteer firefighters and EMTs for Branchville, but in the meantime, we believe our residents deserve the supplemental career staffing necessary to sustain Fire and EMS services 24/7/365 at this station.

We are available to discuss our information request at any time convenient to you. Thank you for consideration of our request.

Sincerely,

Mayor Lynn White
Town of Berwyn Heights

Department of Public Works

August 10, 2018

ADMINISTRATION

- Attended a department head meeting.
- Met with the engineering firm designing the new HVAC system for the Greenbelt Theater.
- Responded to citizen concerns on city trees and erosion problems.
- Responded to accident vehicle damage to city property.

STREET MAINTENANCE/SPECIAL DETAILS

- Picked up unwanted signs and checked for graffiti.
- Pushed yard debris at the Northway Fields compost site.
- Continued installing thermoplastic arrows on Ora Glen Drive.
- Painted yellow curbs on Ora Glen Drive.
- Put out barrels for the Farmer's Market.

FACILITIES MAINTENANCE

- Replaced ceiling tile from a leak from a clogged roof drain at the Springhill Lake Recreation Center.
- Replaced the automatic bleed on the air compressor at the Police Station.
- Replaced the backflow at the Aquatic & Fitness Center.
- Installed four security cameras at the Youth Center.
- Repaired the automatic drain in the air compressor in the auto parts bay at Public Works.
- Finished cleaning filters in the HVAC systems in all City buildings.

REFUSE/RECYCLING/SUSTAINABILITY/ENVIRONMENTAL

- Collected 29.16 tons of refuse and 12.75 tons of recycling material.
- Gathered materials and advertised for volunteers to help with zero wasting at the Labor Day Festival.
- Took pictures of summer help and crews for a News Review article and Labor Day poster.
- Performed daily SWPPP inspections.
- Inspected work done on Northway to make sure the Forest Preserve boundary was not breached.
- Did voiceover for a new episode of Backyard Biota and shot new footage for future episodes.
- Advertised for September's vermicomposting workshop.
- Attended a Zero Waste Circle meeting.

HORTICULTURE/PARKS

- Made repairs to the landscape bed on Southway after a tractor trailer drove through it damaging plants and irrigation. Removed large branches from the landscape bed and from the street from a tree that was also damaged.
- Continued weeding the landscape beds throughout the city.
- Cut grass throughout the city.
- Did litter pick-up in parks.

FLEET MAINTENANCE

- Replaced the rear brake shoes and drums and adjusted the rear brakes on refuse truck #263.
- Replaced the engine cooling fan and transmission lines on Police vehicle #880.
- Replaced the battery and installed a battery maintainer on Police unit #822.
- Replaced front brake pads on Police unit #821 and completed preventative maintenance.
- Replaced the battery and front brake pads on pick-up #405.
- Replaced the engine cooling fan, fuses and cleared the faults on Police vehicle #828.
- Replaced the left front door window in Recreation van #308 because the window was broken due to vandalism.

Greenbelt Recreation Department

Weekly Report

Week Ending August 10, 2018

ADMINISTRATION:

- The Department provided support and host locations for various National Night Out activities this week.
- Met with Aquatic and Fitness Center staff to review various items related to operations, programs, staffing matters and the upcoming closure of the indoor pool for annual maintenance.
- Security cameras were installed at the Youth Center this week. Thank you to the IT Department staff and Public Works Staff.
- Staff conferred with consultant developing the Recreation and Park Facilities Master plan on the timeline for completion and schedule for presentation of draft report.

YOUTH CENTER/ SPRINGHILL LAKEGREENBELT KIDS:

- Summer Camps and Summer classes are now in week 8! Kinder Camp and Creative Kids Camp have completed their summer 2018 season. Kudos to camp staff for a fantastic camp program!
- Kinder Camp, for children ages 3 1/2 -5 years of age, continued with this session's theme of "Spy Camp". Crafts, games, songs and snacks are all linked to the theme this week. Kinder Campers traveled to the National Wildlife Visitor Center at the Patuxent Research Refuge in Laurel. Kinder campers visited the Greenbelt Theatre for a showing of Spy Kids and enjoyed 2 visits to the pool this week.
- Camp Pine Tree enjoyed lots of outdoor games, sports, swim lessons, arts & crafts and free swim. The "Expedition through Time" theme advanced to the 1980's, a time of great fashion and attractive hairstyles. Campers showed their dancing skills to a variety of hits from the 80's. Camp Pine Tree 1 traveled to Sky Zone and Camp Pine Tree spent Tuesday at Hershey Park. Camp Pine Tree has one more two week session to finish the summer of 2018.
- Creative Kids campers took part in music, drama, dance, art, juggling and writing classes and presented two shows of "Magic in the Attic" at the Community Center on Friday. Camp staff gathered at Schrom Hills Park on Friday evening to celebrate another successful camp season.
- Camp YOGO campers traveled to the National Zoo, Hershey Park and Prince George's Stadium for a Bowie Bay Sox game. While at home in Greenbelt, campers enjoy group games, sports, swimming, gaga and socializing.
- Springhill Lake Recreation Center is busy with drop-in programs and their final Eagle V.I.S.I.O.N and basketball skills classes for the summer. Eagle participants enjoyed making yogurt sundaes and learning about the nutritional characteristics of yogurt and berries after ultimate Frisbee and relay events this week.
- M-NCPPC summer programs in Greenbelt continued this week. Staff visited all three programs in Greenbelt: Summer Playground at Springhill Lake Elementary School, and Summer Xtreme Teen Centers at both Greenbelt Middle School and Schrom Hills Park. Both the Springhill Lake Elementary School and Schrom Hills Park sites close this Friday. Greenbelt Middle School's Xtreme Teen Center will be extended until August 24.
- Summer Fun Run series continues this Thursday. Runners and walkers gather behind the Youth Center at about 6:30pm and pick either 1 lap (1.75miles) or 2 laps (3 miles). The event begins at 7pm. Summer Fun Runs finish up the 2018 season this week.
- Mom's Morning Out preschool program promotion for fall 2018 continued with ads in the Greenbelt News Review and on screen at the Greenbelt Theatre.
- Staff are planning Labor Day activities and collaborating with the Labor Day Festival Committee in anticipation of the 64th Annual Labor Day Festival.
- Fall 2018 Activity Guide is available on line and in city recreation facilities. Fall registration begins on Monday, August 20 for residents and Monday, August 27 for non-residents.

PARK RANGERS:

- Facilitated National Night Out at several locations – Roosevelt Center, Beltway Plaza, Schrom Hills Park
- Several visitors out despite heat and rain weekends
- Dog park visitors ok, one complaint of “small dog rights”
- Multiple sightings of ice cream truck at SHP and BAP
- Picked up trash as needed

AQUATIC AND FITNESS CENTER:

- Concluded Weekday and Saturday Lessons for the Summer
- 76 Campers with Howard County Recreation & Parks Adventure Camps enjoyed the GAFC outdoor pool this week.
- GAFC Swim Instructor(s) provided 5 private swim lessons and Aqua Training sessions (Friday-Thursdays).
- Annual shutdown information (GAFC Indoor Pool & Spa Closure Monday, August 20-26 with schedule reopening of 6:00am Monday August 27th. Fitness Wing will remain open) posted within the building and via social media.

COMMUNITY CENTER:

- Invoices were emailed for September tenant rent and pattern renter fees.
- Three tours were conducted for potential Kitchen renters.
- Supervisor continues to field inquiries in regard to food operation rentals for the Commercial Kitchen. There have been 331 inquiries since April 2015. There are currently five food operations who received all permits and may rent the Kitchen.
- There were 4 facility reservations processed.
- There were 2 private rentals and 13 pattern rentals.
- The following free space groups received space: Greenbelt Concert Band, Golden Age Club, PG Peace and Justice Caucus, Greenbelt COOP, GIVES, Greenbelt Labor Day Festival Committee, Greenbelt Computer Club
- The following City groups received space: Arts Advisory Board, GAIL

THERAPUETIC RECREATION:

- Met with Inclusion staff, planned for session 5
- Inclusion staff assisted on Camp Pine Tree’s field trip
- Senior Nutrition staff received a thank you note from a Greenbelt resident, thanking staff for their generosity and support.
- 24 seniors went to the annual Senior BINGO/Baysox game at Bowie Baysox Stadium. Shout out to Jim Marley for being the trip leader!
- Supervisor worked on final edits for fall brochure
