Mail Stop P-601  
Baltimore, MD 21202  
Re: Managed Lane Study – Proposed Alternatives Work Shop

Dear Ms. Choplin:

In follow-up to the public workshop that was held in Greenbelt on July 17, 2018, the Greenbelt City Council wants to restate its strong opposition to the proposed widening of the Capital Beltway (I-495) to accommodate managed and/or toll lanes. The City is not in favor of the alternatives under consideration that would require widening of the Capital Beltway, and believes the project should limit its consideration to the alternatives that seek to manage transportation capacity and demand using only the existing paved I-495 right-of-way.

The project alternatives that require widening I-495 will have significant impact on the natural, socioeconomic, cultural and built environments. Established neighborhoods adjacent to the highway corridor will be negatively impacted by a diminished quality of life. As the City has stated previously, widening of the Capital Beltway will have impact on Historic Greenbelt and significant historical resources. These resources have significant value to the history and character of Greenbelt, as well as the State, and must be protected, as further mandated under Federal Law.

The City is concerned that all of the alternatives are likely to lead to more vehicles on the road, more congestion, more greenhouse gas emissions and air pollution. Further, the proposed screening criteria for narrowing down the options include only the impact on land acquisition, parkland, historic sites, and wetlands -- the impact on greenhouse gas emissions and air pollution are not included in the screening criteria!

The City continues to advocate for the State to study and identify alternative congestion relief approaches, including dedicating more funding to transit and other alternative modes of transportation. We need to allocate our limited resources to supporting the live, work and play philosophy by investing in transit oriented development and the infrastructure necessary to attract and sustain it.

Thank you for the opportunity to comment and the City looks forward to continued participation in the NEPA process, as well as future planning processes. If you have any questions please contact Terri Hruby, Planning Director at 240-542-2041 or by email at [thruby@greenbeltmd.gov](mailto:thruby@greenbeltmd.gov)

# Four Cities Coalition

August 20, 2018

Benjamin M. Barksdale, Fire Chief  
Prince George's County Fire/EMS Department  
9201 Basil Court, Suite 452  
Largo, MD 20774

Dear Chief Barksdale:

The Four Cities Coalition (comprised of the elected officials from the cities of College Park, Greenbelt, New Carrollton and the Town of Berwyn Heights) heard from the President of the Branchville Volunteer Fire Company and Rescue Squad (BVFC&RS) regarding the ongoing challenges of providing an acceptable level of service as a station only staffed by volunteers. As you know, we previously expressed our concern to Chief Bashoor when career staff were transferred from Branchville. Despite significant efforts to recruit and retain volunteers to provide Fire and EMS services from this station, we understand that frequently this station is not able to respond to calls.

When Chief Bashoor last spoke to the College Park City Council, he did explain the proximity of other Fire/EMS stations and the computer aided dispatch of closest units to a call for service. However, we believe that there are times when even a delay of minutes could result in a tragedy in the first due service area of BVFC&RS. We are especially concerned with any delays in EMS service response. As our "aging-in-place" populations grow, demands on EMS services will increase. Increased University Boulevard, Rhode Island Avenue, Beltway and Baltimore Avenue traffic will certainly result in increased calls for service and increased response time to calls for EMS services.

The Four Cities Coalition is requesting response time data and any PGFD/EMS data analysis that has been done to assess response times for calls for Fire and EMS service in the BVFC&RS first due area. Of particular interest, we would like to see any comparison of response times to incidents when Branchville is available to respond versus times when another station or apparatus responded to Branchville's first due calls.

We are appealing to you and County Executive Baker to provide weekday, daytime, career EMT staffing at the Branchville station. We will assist to the extent that we are able to recruit and retain volunteer firefighters and EMTs for Branchville, but in the meantime, we believe our residents deserve the supplemental career staffing necessary to sustain Fire and EMS services 24/7/365 at this station.

**Subject: Re: City of Greenbelt Request**

Hello Nicole,

I did forward your email to Dr. Watts in regards to facility and grounds since you originally sent and followed up right after. I know that staff has been in and out due to summer schedules and there have been various transitions taking place in leadership. I will follow-up again. I will follow up with our Chair and Vice Chair in regards to a letter of opposition of the Maglev. I oppose it but will ask for the board as a whole about the letter. I have a work meeting scheduled with the Council for early October that will be addressing Greenbelt Schools and Middle School field.

Regards,  
Lupi

On Fri, Jun 8, 2018 at 2:56 PM, Nicole Ard <nard@greenbeltmd.gov> wrote:

Representative Grady,

I hope all is well.

Has there been follow-up from your staff regarding the Council's request for information on building, facility, or grounds related work? During a work session on the Maglev train that was held last week, a parent suggested that the parent organization had not been engaged regarding the Maglev. Council asked that a letter be sent to the School Board (among others) requesting opposition to the Maglev.

Also, during Monday's meeting, Council discussed working with you to provide elementary school enrollment statistics for Greenbelt schools. Our staff was tasked to provide you with statistics but we do not have such information. I have relayed this to Council. If my co-workers and I can help in any other way, please let me know.

In addition, you will be receiving a letter from Council (if you have not already received the letter) regarding the Middle School field.

During Wednesday's work session, Council briefly discussed their annual and semi-annual stakeholders meetings, including more meetings with local school officials throughout the year.

As an aside, I received an email from a staff member at Dora Kennedy French Immersion School regarding potential installation of a mural near a butterfly garden facing MD193. I forwarded the request to City staff in both Planning and Recreation. City staff is providing guidance and referrals to County, State, and national arts organizations to support the School's efforts. This is an exciting activity. The mural should complement the efforts of a regional panel that just spent two days in Greenbelt studying and making recommendations on the MD193/Greenbelt Road Corridor from Kenilworth Avenue to Route 1. The panel is making recommendations to improve pedestrian and bike safety, redevelopment, and recreational opportunities along the corridor in conjunction with Greenbelt, Berwyn Heights, and College Park. An initial briefing was provided this week (with Powerpoint slides). A full report is due back in a few months. This information will be forwarded to you as we receive it as safe access to the Middle School for Berwyn Heights youth is important, as is overall quality of life and the economy that the panelists identified. This included a look at social equity in the Census tracts in the immediate area and how the recommendations would improve equity based on an online model by Enterprise Community Partners. <https://www.enterprisecommunity.org/opportunity360>

Please let me know if you have any questions or need additional information.

Thank you,

Nicole

Representative Grady,

Councilmembers have expressed interest in receiving information about Prince George's County Public Schools' construction or maintenance work conducted at Eleanor Roosevelt High School in relation to building, grounds, or facilities issues that may be related to soils that the school and grounds were built on. Can you please help refer this request to the correct person within the Prince George's County Schools' organization?

For example, the neighboring Greenbriar Condominiums were built upon Marine Clay and experienced issues due to shifting soils. An attachment outlines structural, electrical and plumbing work conducted by the Greenbriar Condominiums between 2012 and 2017.

Council seeks this information to understand the investment made in the high school property and facilities that might be impacted by the construction and operation of the Supermagnetic Levitating Train (Maglev). As the Maglev route is proposed to be located under the high school property, this information is also sought to understand potential future impacts on the school buildings and grounds caused by Maglev's construction and operation.

Please note that the Council has scheduled a public hearing on the Maglev on Tuesday, April 3, 2018 in the Council Chambers, 25 Crescent Road, at 7pm.

If you have questions or need additional information please let me know.

Thank you,

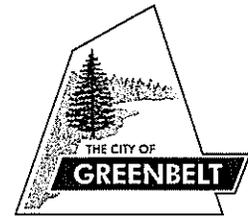

Nicole

*Discussed development projects within the City;*

---

***Other Items of Interest:*** *Code Enforcement staff attended court this week for a citation that was issued;*

---

# *Department of Public Works*

## *August 24, 2018*

### **ADMINISTRATION**

- Met with the Planning Director and developer regarding the Greenbelt Station development.
- Met with the vendor regarding traffic control safety devices.
- Held a Labor Day meeting with supervisors regarding scheduling and activities.
- Met with WSSC regarding various projects.

### **STREET MAINTENANCE/SPECIAL DETAILS**

- Picked up unwanted signs and checked for graffiti.
- Pushed yard debris at the Northway Fields compost site.
- Cleaned storm drains throughout Historic Greenbelt.
- Changed the batteries in the speed sensor.
- Put out barrels and signage for Labor Day. Started pulling out the booths from storage.

### **FACILITIES MAINTENANCE**

- Began installing fan in the fitness wing of the Aquatic & Fitness Center.
- Replaced two handicap buttons at the Aquatic & Fitness Center.
- Installed safety signs around the indoor pool area regarding hot tub usage and rules for lap swimming.
- Updated fire extinguishers for Labor Day.

### **REFUSE/RECYCLING/SUSTAINABILITY/ENVIRONMENTAL**

- Collected 29.85 tons of refuse and 12.57 tons of recycling material.
- Performed daily SWPPP inspections.
- Met with a new three-days-a-week GIS volunteer and got him set up with initial projects.
- Posted flyers for Prince George's Watershed Stewards Academy.
- Got Capital Care volunteers set up for litter pick-up.
- Worked on the Labor Day Festival board and attended the meeting.

### **HORTICULTURE/PARKS**

- Cut grass throughout the city.
- Replaced an old swing chain in the playground at Schrom Hills Park.
- Replaced four bench boards at Schrom Hills Park.

## **FLEET MAINTENANCE**

- Made repairs to the air conditioning system in the rear of the bus. Also installed a light switch on a front fan.
- Installed a rear axle bearing on the back-up Greenbelt Connection car and replaced the rear parking brake shoes.
- Replaced the front brake shoes and drums on sweeper #199 and adjusted the brakes.
- Installed a rear axle bearing on Police vehicle #837 and completed preventative maintenance.
- Working to repair coolant leaks on pick-up #115.
- Repaired the transmission on Police vehicle #835.
- Adjusted the brakes on refuse truck #263 and checked the brakes after previous repairs.
- Mounted and balanced two (2) front tires on Police vehicle #900.

# **Greenbelt Recreation Department**

## **Weekly Report**

### **Week Ending August 24, 2018**

#### **ADMINISTRATION:**

- Met with Aquatic and Fitness Center staff to review various items related to facility operations and programs.
- Staff is working with Greenbelt Digital Archive group to finalize use agreement for space the Community Center.
- The City of Greenbelt served as a host for a portion of the Wayne K. Curry Prince George's International Junior Tennis Tournament.
- Working with Prince George's County Fire Department to schedule annual facility inspection.

#### **YOUTH CENTER/ SPRINGHILL LAKEGREENBELT KIDS:**

- Summer Camps are now in week 10! Camp Pine Tree finished their 2018 camp season this week. Kudos to Camp staff for a fantastic season!
- Camp Pine Tree enjoyed lots of indoor and outdoor games, sports, swim lessons, and arts & crafts this week. Camp Pine Tree 1 visited the College Park Aviation Museum and Camp Pine Tree 2 traveled to Great Waves Water Park. Campers finished off the season with a Camp Water Day and Camp Cookout.
- Attended Labor Day Festival Committee meeting.
- Our Fall 2018 Activity Guide is available online and in Recreation Centers. Fall Registration for residents began on August 20; non-residents may register beginning August 27.
- Staff visited M-NCCPC Xtreme Teen site at Greenbelt Middle School as the program comes to a close for the season this Friday.
- Mom's Morning Out registration continues this week for the Fall 2018 pre-school program.
- Preparation of Maryland State Department of Education, Office of Child Care required forms for a Continuing License for our pre-school program "Mom's Morning Out" continued this week.
- Plans for Special Events continued this week with a focus on Labor Day Weekend.

#### **PARK RANGERS:**

- One visitor at dog park
- One personal grill asked to take down Schrom Hills Park
- One dog off leash at Buddy Attick Park
- Unpermitted use of Schrom Hills Park ball field by softball and soccer league

#### **AQUATIC AND FITNESS CENTER:**

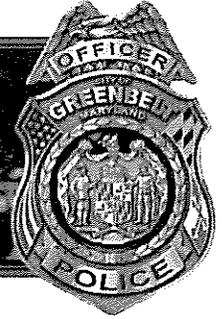

- Thank you to Anne Oudemans and the Highlands Swim & Tennis club who donated outdoor furniture to the GAFC
- Staff in-service participated in a card board boat race
- End of summer camp swim lessons for Camp Pine Tree 1 & 2
- Cleaning of indoor pool was completed

#### **THERAPUETIC RECREATION:**

- Met with inclusion staff to finalize the last week of summer camp- KUDOS to all inclusion staff for a job well done. It was a great summer!
- Supervisor attended Senior Advisory Committee Meeting- plans continue for the upcoming Annual Open Forum in September.
- Supervisor wrote two (2) letters of recommendations for staff

- Senior Advisory Committee has four (4) vacancies- committee worked on a strategy to recruit new members.
- Plans continue for the nationwide Active Aging Week at end of September- be on the lookout for the schedule of events next month.
- 30 seniors went to Toby's Dinner Theater to see Mamma Mia. Great reviews by all that attended. Shout out to Barry and Mary Moien for being the group leaders!
- Assisted Public Works with the 'No Parking' signs for the Labor Day Festival.

# GREENBELT POLICE DEPARTMENT

## FRANKLIN PARK/BELTWAY PLAZA/GREENBELT STATION/CAPITOL OFFICE PARK/METRO

08/16 4:45 P.M.	9100 block Springhill Lane. Burglary. Unknown person(s) used unknown means to enter a residence and take several pairs of shoes.
08/18 5:30 A.M.	6200 block Breezewood Court. Robbery. The victim advised that he was standing outside waiting for a friend when he was approached by the suspect, who produced a handgun and announced a robbery. After taking the victim's wallet and cell phone the suspect fled the area on foot. The cell phone and wallet were located nearby and recovered. The suspect is described as a black male, 5'8" with a medium build and black hair in long dreadlocks, no further.
08/19 8:44 P.M.	6100 block Breezewood Court. Burglary. Officers responded to a report of possible man with a gun. Further investigation revealed that the suspect had been driving when he struck a parked vehicle. The suspect then exited the car and ran from the scene towards an apartment residence. The suspect then ran into and through the closed sliding glass door, shattering the door and entering the residence. The suspect then locked himself in a bedroom for a short period of time before eventually surrendering to police. The suspect, a 21 year old Hyattsville man, was transported to the University of Maryland Prince George's Hospital Center for treatment of minor injuries from the glass door. The suspect was then held for an emergency psychiatric evaluation.
08/20 1:23 P.M.	6000 block Greenbelt Road. Robbery. The victim advised that he was in the men's room inside Beltway Plaza when he was approached by the suspect, who sprayed the victim with pepper spray and took three gold chains from the his neck. The suspect then fled the area on foot. The victim refused any medical treatment. The suspect is described as a black male, 6', wearing a red shirt, a white hat, blue jeans with holes on the front and sunglasses.
08/21 11:28 A.M.	8100 block Miner Street. Theft. Wood planking was taken from a construction site.

**A NATIONALLY ACCREDITED LAW ENFORCEMENT AGENCY**

# GREENBELT POLICE DEPARTMENT

08/21 1:16 A.M.	6200 block Springhill Court. Home invasion robbery. The victim advised that he answered a knock at the door at which time three suspects forced their way into the residence, all armed with handguns and wearing ski masks. A robbery was announced and after the victim had a brief struggle with one of the suspects, the suspects took money, a game console and two cell phones then fled the area on foot. The victim refused treatment for minor injuries. The suspects are described as three black males wearing all black clothing, no further.
--------------------	---

08/22 5:27 A.M.	9100 block Springhill Lane. Robbery. The victim advised that he was about to enter his vehicle when he was approached by the suspect, who displayed a handgun and announced a robbery. A Greenbelt officer observed the robbery in progress, at which time the suspect fled the area on foot towards the 6000 block of Breezewood Court. The suspect is described as a black male with hair in long dreadlocks.
--------------------	---

## GREENBELT EAST/GREENWAY SHOPPING CENTER

08/15 3:10 P.M.	7600 block Mandan Road. Theft. A parcel package was taken from the front stoop of a residence.
--------------------	--

08/16 2:26 P.M.	7400 block Greenbelt Road. Theft. An iPad was taken from an office at the AT&T Store.
--------------------	---

08/18 2:01 A.M.	Area of Mandan Road and Greenbelt Road. Drug arrest. Van Jovon Reed, 27, of Washington, D.C. was arrested and charged with Possession of Marijuana with Intent to Distribute, Possession of Marijuana and multiple traffic citations by officers investigating a subject asleep behind the wheel of a vehicle stopped in the roadway. The suspect was transported to the Department of Corrections for a hearing before a District Court Commissioner.
--------------------	--

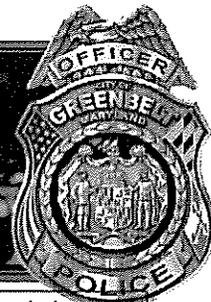

## Automotive Crime - City Wide

08/16	6600 block Lake Park Drive. Theft from auto. Four rims and tires were taken from a vehicle.
08/16	5900 block Cherrywood Terrace. Vandalism to auto. Unknown person(s) flattened four tires on a vehicle and poured ketchup into the gas tank.
08/16	9000 block Breezewood Terrace. Theft from vehicle. Unknown person(s) used unknown means to enter a locked vehicle and removed a phone charger.

**A NATIONALLY ACCREDITED LAW ENFORCEMENT AGENCY**

# GREENBELT POLICE DEPARTMENT

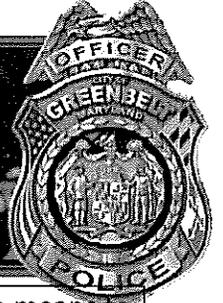

08/16	9100 block Edmonston Court. Vandalism to vehicle. Unknown person(s) damaged the gas tank of a parked vehicle.
08/17	6700 block Springshire Way. Attempt theft from autos. Two subjects looked into two vehicles in a driveway, with one opening a vehicle door, which set off an alarm.
