## City Manager's Report Week Ending August 30, 2019

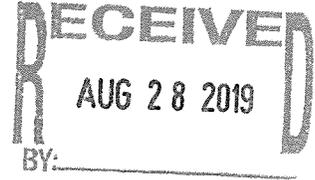

1. Attached please find the City Treasurer's report on Preliminary FY2019 and FY2020 results. While the initial analysis seems favorable, I am concerned about the potential impact of any future commercial tax abatements, as well as global political and economic instability.
2. Included in Council's packet is the adopted FY 2020 budget.
3. Attached is a memo regarding the magazine distribution box at Southway and Crescent.
4. The Police Department's monthly statistical report for May is attached.
5. Thank you to staff citywide who have prepared for Labor Day related activities and will staff the entire weekend.
6. Thank you to staff who made this year's summer camps a success in both Old Greenbelt and at Springhill Lake Recreation Center! Congratulations! The final camp enrollment report is attached.
7. Thank you to everyone who hosted the Central Park event in Greenbelt Station. Police and Recreation staff worked with the new home owners association to entertain many families. Great job!
8. In follow-up to email, please note that ductwork was conducted at the Greenbelt Aquatic and Fitness Center, impacting indoor pool temperature. The temperature is anticipated to have returned to regular temperature by the date of this report.
9. As noted by email, the State has required that the Greenbelt Lake water level be reduced by four feet in preparation for the next phase of the State-mandated Greenbelt Lake Dam Repair Project. The project starts next week. City staff is working on project signage and community outreach.
10. In follow-up to email, WSSC water main repairs extended by a few days in Central Greenbelt. WSSC reported that impacted neighbors received direct notification. Work was scheduled around the Labor Day Festival activities and will resume on September 4<sup>th</sup>. While WSSC notified impacted property owners in advance, Ms. Palau has posted the information on social media as well.
11. Reviewed and submitted the annual application to the Government Finance Officers Association for the distinguished budget award. Thank you to Ms. Anne Marie Belton for preparation and submission of the materials.
12. In follow-up to the report provided during the final budget work session, met with City staff and a family regarding a potential family-funded improvement to Buddy Attick Park. The concept, installing shade structure for a portion of the picnic area, was informally discussed at the Parks, Recreation Advisory Board with positive feedback for further exploration by the City. The Council will need to discuss the memorial program and then acceptance of the gift. The family is preparing a biography of the local and international contributions made by the late resident for Council consideration. The family may be able to share initial information regarding upcoming international recognition of the resident and Greenbelt. Please advise if the matter can be placed on the September 18<sup>th</sup> work session agenda.

13. The County Fire Department has postponed the CPR and Stop the Bleed Training slated for this weekend at the Farmers Market due to staffing. Information on the new date will be shared.
14. Support on NASA Goddard master plan communication. Coordination with NASA staff regarding the upcoming general stakeholder work session.
15. Addressed operational and special event activities.
16. Attended the Council work session with the County and Volunteer Fire Chiefs. Visited the City event at Central Park.
17. Scheduled to attend Labor Day Festival activities.
18. Assistant City Manager
  - a. At the County's request, hosted a tour of staff from the US Department of Housing & Urban Development (HUD) and the Prince George's County Department of Housing & Community Development (DHCD). The HUD officials were interested in viewing recently completed CDBG projects. We toured a section of Breezewood Drive.
  - b. Met with Terri Hruby and Grant application and agreement paperwork for the \$75,000 bond bill for the Greenbelt Station Hiker/Biker Trail.
  - c. Prepared for the Labor Day Festival.
19. City Treasurer
  - a. Issued a report that summarizes the financial results for FY 2019.
  - b. Finance staff was in training for three days this week. The electronic timesheet project is currently on schedule. Projected implementation is anticipated in November.
20. Information Technology
  - a. Attended a webinar on FCC ruling re: Cable Franchises.
  - b. Participated in ExecuTime Power User training (automated timesheets).
  - c. Reviewed and commented to Police on new Toughbook quote specs.
  - d. Replaced UPS battery in Planning.
21. Economic Development
  - a. Business & Community Engagement
    - Meetings:
      - Local mental health services provider.
      - Local food and entertainment venue board meeting.
      - Attended weekly breakfast meeting of local civic leaders.
      - Local bank to learn about financial services and products for businesses as well as ways to collaborate.
      - Grocery store meeting with County EDC.
  - b. Economic Development Admin
    - Working with staff to coordinate on initiatives that span across the community.
    - Ongoing weekly outreach to Greenbelt business community.

**City of Greenbelt, Maryland**  
**Memorandum**

**To:** Nicole Ard, City Manager  
**From:** Jeffrey L. Williams, City Treasurer JW  
**Date:** August 27, 2019  
**Subject:** Fiscal Year 2019 Preliminary and Fiscal Year 2020 Early Results

**Fiscal Year 2019 Preliminary (Unaudited) Results**

**Revenues**

FY 2019 audit field work concluded last week. The second and third level review process by managers and partners will occur in September. All revenue for FY 2019 has been recorded except for the final income tax payment from the State. It is expected that the income payment which will be received on August 30 will be in the \$200,000 to \$300,000 range if the pattern of recent fiscal years is maintained. Using the lower end of this range, FY 2019 revenue should exceed the adopted budget of \$29,881,700 by \$140,000 or 0.46%.

It should be noted that the staff estimate at the beginning of the FY 2020 budget process called for revenues of \$29,271,100 or \$610,600 less than the adopted budget. The difference between the staff estimate in March 2019 and current estimate is approximately \$750,000. There are two revenues that account for the entire difference.

The first is the contra (or negative) revenue of real estate abatements. The adopted budget for real estate abatements was \$392,500. The good news, at least for FY 2019, is actual abatements were less than \$15,000, a positive result of \$377,500. It is possible that abatements from FY 2019 will not be received by the City until FY 2022. Because the \$15,000 result is historically low, the City must be cautious in regard to future real estate estimates, especially in FY 2020 and FY 2021.

The second revenue source that significantly exceeded expectations was income tax. Currently, income tax revenue is approximately \$300,000 higher than the adopted budget. However, as previously mentioned, there is one large payment due on the final day in August. Therefore, it is likely that income tax will exceed the adopted budget by more than \$500,000.

It should be noted that the combined total of all other revenue sources will end FY 2019 approximately \$100,000 lower than the staff estimate. That said, the final result of actual revenue exceeding budgeted revenue is a very favorable outcome for the City.

**Expenditures**

Expenditures for FY 2019 remain preliminary. Currently, FY 2019 expenditures are \$29,915,000 or approximately \$68,200 lower than the adopted budget. The expenditure estimate includes additional transfers from the General Fund to the Capital Projects Fund and the Building Capital Reserve Fund. An early estimate for the percentage of fund balance to subsequent year's expenditures is approximately 15% as projected in the proposed fiscal year 2020 budget.

**July 2019**

The July real estate report from the County showed that initial assessments for Greenbelt properties is 99.8% of the adopted budget for real estate. This is especially good news.

An update to FY 2019 results and an August report will be provided in September.

SUBJ: Repurposed Magazine Distribution Box - Six Month Review

Council approval of the repurposed newspaper vending box at Crescent and Southway for use as a free magazine distribution box included a six month trial period.

It's been over six months, but staff has examined the box and report the following observations:

- The box remains in place and is functional and stocked with magazines.
- The extent of use of the box is not clear; the level of magazines does not appear to be changing significantly.
- Staff is not aware of any damage, vandalism, or other reported concerns about the box or its contents.
- The artwork on the box is holding up well.
- The box does have some exterior dirt/grime from being outdoors.

Based on these observations, it is our recommendation that the box be cleaned periodically, that its contents be refreshed as needed, and that it remain in place subject to all the conditions approved by the City Council.

## Final Camp Enrollment Report for 2019

The summer camp season ended last Friday, August 23. By all accounts it was a successful summer. The summer camp staff did an amazing job. I've been involved in summer camps for more than 30 years and I can attest this staff was one of the best. Registration was consistently high. There were a couple of outliers but that is normal. A more detailed report will be submitted during the Recreation Department's Budget Work session.

Thanks for your interest,

-Greg Varda; Assistant Director of Recreation Programs
