SHAKIN' UP SHAKESPEARE

Shakespeare's plays were never meant to read - they were meant to be performed! Join us as we bring Shakespeare's plays to life in an active way. The classes will explore the history of Shakespeare's time as well as the sources of the plays and a basic study of poetic language. We will do exercises intended to boost communication skills and self-confidence. Working as a team, we'll prepare an abbreviated Shakespeare performance for family and friends at the end of the semester.
